#### **COMPILING A BIOGRAPHY OF A SISTER OF MERCY – MELBOURNE CONGREGATION**

At its meeting of 13 August, 2008 the MSEI Board considered a draft policy regarding compiling a history of a MSEI college or a biography of a Mercy educator.

This policy is now under active consideration of the Mercy Congregation Research and Heritage Committee (CR&HC) which will work with MSEI and other Mercy agencies and ministries to develop the definitive policy in this area.

Until this policy is promulgated the following interim policy will apply.

#### **THE INTERIM POLICY FOR MERCY COLLEGES:**

Any publication undertaken under the auspices of SMMC is, legally, a Congregation publication, hence bodies such as MSEI and the CR&HC need to be involved from the beginning of any project.
